

# FIVE BLISS BOXERS WIN AT SANTONE

Kid Young and "Shotgun" Devlin Added To Winners On Bliss Team.

MURPHY, SONTAG, FELSO YET TO BOX

A DECISION won by Elmer H. "Kid" Young, fifth round, over "King" Cole, third round, and a knock by Lee "Shotgun" Devlin, seventh round, presented to Corp. G. Whitman, 32nd field artillery, brings Bliss winners at the San Antonio boxing tournament up to five. Winners heretofore were Eubenberg, seventh; Edmonson, seventh; Carter, seventh; field signal battalion, Harvey Knight, seventh; and, last, a decision to Howard Leblond, 37th infantry.

It is to be noted that out of three losses by Bliss boxers, two of them were also won by other Blissers, the decision by Knight being the only one to date that came to an organization outside Bliss.

With Tommy Murphy, battling Sontag, Tommy "Punky" Duquette, "Pete" Williams and other Bliss stars yet to appear, the chances of honors falling to Bliss regiments look good at this stage of the tournament.

# AMATEURS WHO SERVED THE U.S. ARE PROTECTED

Colleges Unable To Compete During War Will Not Forfeit Rights.

CALIFORNIA AND STANFORD SAVED

THE Intercollegiate Association of Amateur Athletes of America has blazed a trail for sports governing organization in adjusting and adapting itself to the abnormal conditions that prevail as a result of the two years of partial disorganization due to the war. And the more credit must be given to the I. C. A. A. A. for its skillful handling of this most difficult problem, for the reason that it is in the truest sense of the word an undergraduate organization.

The matter of amending the constitution and by-laws so as to make possible the fullest degree of participation in this year's championship games, which, incidentally, will be held in the Harvard stadium at Cambridge on May 29 and 31, has already received explanation. Every student who was in the S. A. T. C. last fall and has since been in college, and every student who was in the military or naval service and has returned to his college on February 14, or who, if, upon discharge, registers no later than April 1, will be eligible to compete in this year's meet. In other words, the association has wiped from the record for this year the rule requiring registration on October 15 of the calendar year preceding the meet.

Quite as important as this safeguarding of the rights of the individual athlete was the action of the association in preserving the rights of those of its members whose houses are not yet in order. There is now no possibility of a college forfeiting membership through failure to compete during the war period. The rules of the association prescribe that failure to adequately represent at two consecutive meets shall not bar college from membership. Strict application of this rule would have forced Stanford and California out, if they should not be represented at the 1919 games, as seems likely. Under the amended rules, the two consecutive years are held to be 1918 and 1919 in computing with the 1919 meet in view, and 1918 and 1919 when the 1920 meet is the one for which eligibility is to be determined.

## WHEAT NOT "FARMING" THIS SPRING

One thing we will not be bothered with this spring and that is the story that Zack Wheat will quit baseball and stick to the Missouri stock farm. Wheat and the Brooklyn club have already agreed to terms. It took them until the first of May last year to get together.

# A Handy Man Around the House

By Briggs

## MUCH FAVORED LINK

San Francisco, March 20.—There's a golf course which has been built on the site of the Panama-Pacific exposition known as the Pebble Beach Golf Club links. The layout is a masterpiece of what constitutes a championship course, and it includes suggestions from such men as Charles Evans, H. Chandler Egan, George Turnbull, Mike Brady, Jimmy Donaldson, Douglas Grant and Jack Neville. All of whom had a hand in mapping it out. Three hundred acres, almost enough ground for three hole courses, have been utilized for the Pebble Beach project. The circuit is 6107 yards long, and can be played all year round.

## Salt Lake Signs Two Good Pitchers

Salt Lake City, March 20.—Bob Steele, left-handed pitcher with the Pittsburgh and New York National League clubs last year, has been released to the Salt Lake club of the Pacific Coast league, according to a telegram yesterday. The release came from the Cincinnati club, and is part of a deal for Morris Rath, Salt Lake infielder. Another pitcher, who was signed by Salt Lake yesterday, "Lefty" Schorr, who played several games with Vernon two years ago.

## Bliss Pilltossers Take Notice—Chicago Cubs Leave For Training Quarters; To Play Here April 14

CHICAGO, Ill., March 20.—Sixteen members of the Chicago Cubs, in charge of president and manager Fred Mitchell, left here last night for Pasadena, Cal., where they will begin training at once. Three players will join the party at Omaha and three others will already be on the coast. Pitcher Harry Weaver and Vic Aldridge held a conference with president Mitchell yesterday over their contracts and Weaver came to terms. Manager Mitchell is counting on three catchers—Bill Killifer, Bob O'Farrell and Tom Daly—to handle the Cubs' pitchers in the National league pennant race. Killifer is Mitchell's "ace" in the line of backstops. He ranks with the best in the league and probably will be asked to do the bulk of receiving O'Farrell has been advanced to second string man, while Daly will be held in reserve for emergency and in addition will be called into the game as a pinch hitter.

Mitchell believes that O'Farrell will develop into one of the real stars of the game. He plans to use the youngster at every opportunity. "O'Farrell is one of the greatest young catchers I have seen in years," Mitchell said.

The Cubs are scheduled to play the Bliss All Stars on some local diamond April 14 and with some dozen games before they reach El Paso will be in shape to enter the championship race by the time they play the All Stars. Arrangements have been made by secretary John O. Seys for the game to be played at the high school stadium, but because of the rough ground another diamond may be chosen, it is said.

## Lucky 5 Oil Company No. 2

Our well No. 1 will be drilled on the proven sure-gusher corner site in Block 13, original town of Burk Burnett. This will offset the famous dividend payer, the river in Oklahoma, where there is great drilling activity on every foot of the river not only make it sure that we will get oil and get a good well and earn dividends but will also give ample room for several great gusher wells that we can easily send Lucky Five No. 2 over the top at the rate of from five to one to the time the first well is down to many times that price as developments progress. When you take into consideration the location of our Well No. 1 in the same block (13) in the Florida, which has already paid 100 percent and announced that 30 percent is already on hand to be disbursed and it will earn profits you can see why you are securing the very cream of rich dividend stock when you get in Lucky Five No. 2 as one of the greatest field stockholders at \$100 per share. Our Townsite Pool location on the northwest side of Block 13 is conservatively valued at \$10,000 and our 25-acre tract when the same state of development has been reached will run in hundreds of thousands of dollars.

Lucky Five Oil Company No. 2 was organized by the same officers and trustees who so successfully put over the original Lucky Five Oil Company, which was incorporated in 1914, and was selling at a premium before its first well was started. It was the location of the lease and high standing of the people behind Lucky Five that made it a winner. It is the most excellent location and the same efficient management that is making Lucky Five No. 2 a great winner. Lucky Five Oil Company now has two wells drilled to the sand and casing—Lucky Five No. 1 and Lucky Five No. 2 will push its developments in the same businesslike manner.

Officers and Trustees:

Salmon E. Moore, President; N. C. McIntyre, Vice Pres.; M. E. Stinson, Sec.-Treas.

## SPORTOGRAPHY By "Gravy"

PRACTICAL Jokers on the roster of the Giants—and they have a few, like every other ball club—will do well to deliberate very carefully before trying any of their pranks on one "bushy" who will go south with the club this year. The "bushy" in question is Tod Miller, a first sacker, who recently signed a contract, and who came to John McGraw from the Great Lakes naval training station, for it develops that Miller is the young man who battered his way to the middleweight boxing championship of the Great Lakes station last fall. Having won his title, Miller defended it successfully against formidable contenders selected from the incoming drafts of recruits and won 14 consecutive ring contests. He has put on weight recently and now tips the beam at 170 pounds. National league umpires had better take warning, for Miller may land a job with the club, which would be a serious thing when it came to close decisions that it, it would be serious for the umpires.

## TOMMY RYAN, GREATEST OF ALL

WILKES-BARRE, Pa., 20.—Tommy Ryan, greatest of all waterweights, victor in over 200 ring battles, the vanquisher in only one, was born at Redbank, N. Y., March 20, 1878, just 49 years ago today. His original name was Joseph Young.

## WILL JESS REFUSE THIS EASY MONEY?

Havana, Cuba, March 20.—Luis Andrad, who is talking Jack Johnson, the negro heavy weight pugilist, to Mexico for several boxing bouts, said last night that he will guarantee Jess Willard, the heavyweight champion, \$25,000 and all traveling expenses, if Willard will agree to a return fight with Johnson.

# PENKANT TAKEN BY SOPHOMORES

Inter-Class Basketball Honors Here Go To Sophs In Deciding Contest.

Staging a rally in the second half that won them the game, the high school "Sophs" also captured the season interclass basketball honors of the El Paso High school by defeating the low Senior five, 25-15.

In the star basket shooting Cohen and Schuller of the sophomores, took first honors. Urosta at center played strong, while the sophomores guards, Homan and Carey, did work during the second half that has seldom been equaled by local basketballers this season.

Williams, star tower of the Senior team, was forced to quit the game from an injury, greatly handicapping the Seniors. Encouraged by the absence of their most formidable rival, the "Sophs" dug in with increased vim, their guards holding the Seniors to a field goal and two points on fouls, while a total of 15 points by the lower classmen broke them out on top by a good margin.

The lineup: Seniors—Booth, Cohen, forward; Williams, Hisham, center; Bloomberg, Sigwale, guards. Goals: Booth, 2 and 3 on fouls; Cohen, 1 and 1 on foul; Williams, 2 and 1 on foul; Bloomberg, 1.

Sophomores—Cohen, Schuller, forwards; Urosta, center; Homan, Carey, guards. Goals: Cohen, 4; Schuller, 2 and 1 on foul; Urosta, 1; Homan, 1; Carey, 1; Bloomberg, 1.

PRATT BACK WITH YANKS

New York, March 20.—Dorvil Pratt, second baseman of the New York Americans, who had announced he would retain his position in a steel mill at Lebanon, Pa., has instead of so doing, signed a 1919 contract with the Yankees. Manager Huggins was informed last night.

## WHITEMAN SHIPPING

The Boston Red Sox last week released George Whiteman back to Toronto, from which club he was obtained by a deal made through Louisville. Thus passed another world's "hero" from the brief limelight.
